

# Jim Alabama

Hello from Alabama!

August 2023

**Summer is two thirds over** and the days are getting shorter again, on the way to the first day of winter in December. It will be a welcome blessing to get some cooler temperatures. In Alabama we have a 97-degree day today with three 100-degree days coming this week! I know many places have been even hotter this summer. I am so thankful for a place to live that is air conditioned and that the air works in my 23-year-old car!

**I still speak with Tony everyday** in Bucharest, Romania. It's hot there too, and he was able to buy an air conditioner for the apartment he and his mother live in! Tony will be going with 5 Christian friends to Vilanova, Spain on Sunday evening, August 27 for a week! Tony needs a vacation, and I am thankful he can go!

**Ionut is busy with the Cinema pe Roti** ministry in Romania. He has a good team of young people helping him. I will ask him to make a video, introducing the team members to us. Below you can see the team in front of the van, and children they were working with inside on a rainy day!

**In May, Ionut went with another pastor** to 10 different cities in Romania and met with many, many pastors, explaining the ministry of Cinema pe Roti to let them know they need help financially. The last time I spoke with Ionut he has not heard from even one pastor, and many were pastors of very large churches, 500 to 1000 people! In November, a pastor from Virginia, Mike Palmer is going to speak in a conference in Timisoara. I spoke with Pastor Mike about Ionut and his asking pastors for financial help. I suggested that if the churches there will support missions in their country as well as outside of Romania, that God will bless those churches very much. Pastor Mike agrees. He will present this to the pastors at the conference and tell them if they want God's blessing in their churches, they need to support missions in Romania. Ionut will be there! Please ask the Lord to bless Pastor Mike's messages to the pastors in Timisoara in November!

**Thank you so much for your support for me and Ionut.** You are a huge blessing to us! God bless you! **Jim Morgan**
