**Hello from Alabama!!**

**December 2024**

*Hard to believe 2024 is almost over!* Also hard to believe I haven't sent a letter since last summer! I am thankful for the place the Lord has put me, and thankful for the home I live in, the church I attend and for the ministry the Lord has given me to serve Him and the great staff we have here!

*In September*, Mike Jones and I went to Romania for a week. We left here on my birthday! We visited with Ionut, the man who took my place there and his wife Esther. We learned she is expecting their first child in June of next year! Ionut is a Baptist pastor in a small city outside of Craiova. The first evening he took us to his church and showed us pictures of the ministry from the summer with Cinema pe Roti and his church ministry. I am thankful the Lord brought Ionut into my life and he went to Bible school to become a missionary with us!

*We went with Ionut* to the auto repair shop I used to go to because the van has a problem with something in the front end. It will cost \$2000 to fix it. The van is a 2007 and in very good shape, we really believe the best thing to do is to fix it and continue to use it. Would you like to help financially?

*While we were driving to Timisoara*, we stopped at Sibiu so I could see a friend there who does not know Christ. His name is Andrey. He is in the picture with me. I really want to go back to Romania at the end of August or first of September to spend time with Andrey. He is about 25 years old and single. Pray with me for Andrey to trust Jesus as his Savior!

*Thank you for your support* and Ionut's support. If you have a desire to give to us or the ministry, the end of the year might be good. Our address is below.
