

# Jim Alabama

Hello from Alabama!

October 2023

Fall is here and the weather is much nicer than that heat we had in the summer! I am thankful! God is working here, it's so awesome to see! Drive-In Park has 2 more movies and the season is done for the year! This Friday, October 20 and next October 27. One more big event is scheduled for October 28, the Fall Festival! Last year we had 400 people come to the Festival, we would like to have even more this year! Picture on the right is from the Festival from last year! Everything we do we present the Gospel for folks to trust Jesus as their Savior! I am thankful I have gotten to share the Gospel 3 or 4 times this year at the movies at Drive-In Park! At the movies the last month or so we have had many people trust Jesus as their Savior, for which we are very thankful!

Personally, here at Crestview we continue to invite all 50 residents to come see a movie one time a month. This month Mike Jones brought the van here and we showed a movie outdoors! We matched our largest audience with 11 people! We showed an episode from The Chosen, Season 3. The folks were thrilled to see it on a big screen, when it was over, they said will we do it again. The next day I arranged with the manager to show one in November! Pray the weather will be warm, it was 75 degrees when the movie started here last week!

The Lord in the last month and a half has given me some new Christian friends at church! One is Tanner Sheffield, 22 years old and Devin Lundberg, 21 years old! Tanner is from Prattville, graduated from college in Mississippi this year. Devin is in the United States Air Force and stationed here at Maxwell Air Base. Tanner has been to Drive-In Park 3 times on a Friday night. Devin was there last Friday night for the first time! Also, I have met many people where I live and Merlin is one, he went to Drive-In Park last Friday night too! Here is a picture of Merlin, me and Devin. Tanner had already left by the time we took the picture!

I still call Tony in Bucharest, Romania every day! I will call him again in about 15 minutes, it will be 1:00 PM here and 9:00 PM there! He is doing very well Spiritually; I am so thankful! Most of Tonys friends are Christians from church. He went to Spain with 5 from church the last week of August! Praise God!

Thanks for your faithful prayer and support, it is so necessary and important! God bless you!

Jim Morgan, Prattville Alabama
