

Keeping Up with the Joneses

JUNE 2026

“Keep on asking, and you will receive what you ask for. Keep on seeking, and you will find. Keep on knocking and the door will be opened to you.” Matt. 7:7

Dear Family and Friends,

Wow, it's mid-June already and we're full speed into the summer schedules. There's much to do and more that needs to be done. As we see the Lord working in all areas of ministry we find ourselves often asking, seeking, and knocking for the Lord's help in meeting the many needs, large and small. Sometimes it's hard to be patient and persistent, but the verse above is a promise and (unlike us) He welcomes our persistence.

We had a very important and exciting Board meeting on May 30. The David Morrison family has reached 75% support and eligibility to become full-time while raising the rest. David was also appointed by the Board to be the Vice-President of Drive-In. We congratulate them and look forward to working more closely together. The Board also approved a new international ministry partner in La Paz, Mexico, 1000 miles south of the southern California Boarder. We'll be sharing more about that in future correspondence. The Drive-In Ministry Center building fund is still growing very slowly... a truly persistent ask, seek, and knock...and we will not give up. Please **pray** with us. These last several weeks, I have been working on a tentative plan to go to Cameroon as soon as possible, maybe mid-July. There is much involved in this kind of trip. Since Cameroon borders Nigeria, I want to combine the trip to include some days in Nigeria, as I did last time. However, I have to get a new visa for Nigeria and a new visa for Cameroon and both countries make it a difficult process. The recent surge in fuel prices is drastically affecting airline ticket prices (sky high). Now, Air Peace airlines, which I flew with from Nigeria to Cameroon last time is not currently serving Cameroon. Please **seek the Lord** with me for His will, timing, and provisions. This Mobile Unit needs to get set up and into service.

We are so thankful for our board members and the wives who were able to come enjoy fellowship and craft time together!

Our Challenge... this month we are thankful for the answer to Timothy's challenge being that the doctor says he is now cancer free, no other treatments needed, just staying on thyroid meds. A new challenge would be for grandson, Nathan, who broke his leg and had surgery to put a plate in. This changes his summer plans for Camp Victory and probably playing football in his senior year. Please **pray** for healing! We are thankful for Stephen, Eri & Benji having a safe trip to Colombia to visit Eri's parents. Stephen celebrated his birthday Colombian style this year. Both of us celebrate our anniversaries this month along with Jennifer & Chad. Grandson, Tate, celebrated 15 years with Jesus this month and we still miss him! We have an updated letter attached from Joseph & Gracie about their adoption progress as they get closer to reaching their goals. **With gratefulness for you, AnnaMae**

Thanks again for "keeping up" with us and so much more. We are always grateful and thankful for our relationships and want to keep up with you too. Blessings to you.

In His service TOGETHER, Mike & AnnaMae
