

Keeping Up with the Joneses

March 2026

“But the believers who were scattered preached the good news about Jesus wherever they went.” Acts 8:4

Dear Family and Friends,

It's amazing to discover how many ways the Lord uses to direct our lives and take the Gospel throughout the world. Looking over our 45 years of ministry in churches and missions the Lord has given us so many wonderful relationships that have spanned many states and countries and continues today to collectively to reach more people for Christ.

This month I am traveling to the western coast of Mexico to look at another potential ministry partner, then in April to the Dominican Republic for the same purpose. Hopefully in early summer I'll go back to Cameroon to set up the new Mobile Unit ministry and place it into service. It is exciting to see the Lord open new doors of evangelism, and I am constantly aware that this is not about me. It's God's ministry and you are just as much a part of It as we are...many parts, many people, one goal.

This month we also begin a new movie season at Drive-In Park on Friday, Mar. 20, and the mobile movie season here in the U.S. We watched as hundreds came to faith through the movies last year and are planning and preparing for greater attendance and results this year. Please pray for our small staff and the many volunteers needed to conduct the movies, and for the Lord to provide more missionaries and volunteers as our needs grow. We are thankful that the Lord has recently provided a good friend to serve part-time with our bookkeeping. She is already a significant blessing to us and an answer to our prayers.

Our Challenge... *we are enclosing a very special letter* for you to consider “sponsoring a project” this month as a fundraiser for Joseph & Gracie’s adoption adventure!! (The widow and her son are in our church here in Prattville and are so faithful to serve the Lord even in the great loss they have experienced). The adoption funds they are raising will be used to cover the costs for the mother and baby’s medical needs during pregnancy and after delivery among other expenses. We do not know when that will be, but God’s timing is perfect and the challenge is in the *waiting for our grandbaby*. Please continue to pray for Timothy’s recovery to regain his energy levels and for the biopsy results. Jennifer had surgery Feb. 27, to repair a worn-out tendon near her elbow; she’s also having back pain and is doing some therapy. Our family is blessed and you are a wonderful part of this journey. With love, AnnaMae

Thank you again for doing this ministry with us. God has been so faithful to us and so have you. Your prayers, gifts, and etc. encourage us and sustain us. In a period of time (our late 60’s) when retirement and slowing down maybe should be in the plans, ministry opportunities and responsibilities are increasing. Thank you for praying with us for God’s timing, people, and provision for growth and transitions in the next few years. God bless. Serving Him together, Mike & AnnaMae
