MINISTRY WITH THE MORRISONS

A LIFE CHANGED—NOW A FAMILY TRANSFORMED

This past month, before movie season even began, we experienced a very special reunion at a church we visited. As one lady walked in, we immediately recognized each other—she had trusted Christ as her Savior during last movie season. We've been praying for her husband ever since, and with joy she shared that he had come to church with her—and has now also placed his faith in Christ. Today, they are both growing in their walk with the Lord, studying His Word, and learning what it means to live for Him. It is such a blessing to see them plugged into a strong, Bible-teaching church where they are being disciplined. Conversations about baptism have already begun, and we are prayerfully hoping to be there to celebrate this next step of obedience with them.

ENCOURAGEMENT FROM THE NEGRUS

We had the privilege of meeting the Negru family this February during the missions conference at Heritage Baptist Church, and from the very beginning, there was an instant connection. Our kids quickly became friends, and so did we. God used this sweet family to encourage our hearts in a powerful way. Having served on the mission field for many years, they shared wisdom and perspective that truly challenged and inspired us. We were grateful for the opportunity to help them with a few minor repairs on their RV and even spend extra time together after the conference. Thanks to learning how to use WhatsApp, we're thankful we can still stay connected now that they are serving the Lord back in Greece. One of the greatest impacts they had on us was in how they serve together as a family. Early on in this ministry, one of my biggest fears was how it would affect our children—would they feel overlooked or like they were just part of the work? But watching the Negru family reminded us that the most important thing we can do is teach our children about Jesus and how to boldly share Him with others. Seeing their children's faith and courage, even in difficult situations, was both humbling and inspiring. What once felt like a concern has now become a renewed confidence that God is using this ministry to grow and prepare our children for His purpose.

NEW CHURCH PARTNERS MAKING AN IMPACT

We are so thankful for the new church partners God has brought alongside us to help love on our community. New Life and Church of the Highlands have already been such a tremendous blessing. From the start, their excitement to share God's love was evident as they served joyfully in every area and connected so well with those who attended.

What has been especially meaningful is seeing their care continue beyond movie night—through follow-up calls, letters, and emails. We are also celebrating that families who attended have since visited their churches. Seeing people not only come to know Christ, but also get connected to a local church where they can grow, is exactly why we do what we do.

THE POWER OF PRAYER AND VOLUNTEERS

Before each movie night, we gather all of our volunteers together to pray over the evening and for every person who will be coming out. This is such a meaningful and grounding time for us. It prepares our hearts and gives us the strength to navigate whatever challenges or unexpected moments may come throughout the night. We are reminded that we are not doing this alone—we have the Lord leading us and an incredible team of volunteers serving alongside us. It is also deeply encouraging to see that circle continuing to grow, as more people join in the mission and become part of what God is doing.

THANK YOU FOR YOUR PARTNERSHIP

Thank you to everyone who partners with us—through prayer, financial support, volunteering, or serving alongside us as a church. We truly could not do this ministry alone, but together we are reaching people for the Kingdom.

We are incredibly grateful for each of you. This past month, our financial support was the highest it has ever been—what an encouragement! Thank you for your generosity and for believing in what God is doing through this ministry.
