

MINISTRY WITH THE MORRISONS

May 2026

Dear Family and Friends,

We are so thankful for all of you. So many of you pray for us, encourage us, and help financially support us. We still sometimes wonder why God chose us to be a part of this ministry, but we are incredibly thankful that He did and that He continues to prepare, teach, and grow us through it all.

Also, we owe an apology to those of you who struggled to read the last newsletter — we promise the font will not be that small again! God has been working in so many ways, and we are excited to share as many of those stories and moments with you as possible.

Dollar General

We have shared with you over and over just how important relationships are, and recently we were reminded of that again. One relationship in particular has been built over a long period of time.

As many of you know, we have concessions available at each movie night. That means lots of shopping and searching around for the best prices, so we regularly find ourselves at Dollar General. Almost every visit gives us an opportunity to talk with the cashiers, and we always make sure to invite them to the movies.

It is common for us to stop in on Thursdays while preparing for movie night. This past Thursday, as soon as we walked in, the cashier greeted us from across the store and immediately started talking about how excited she was for movie night. She was scheduled to work that evening, but she proudly shared that her daughter and granddaughter already had plans to attend. Moments like that remind us that ministry is often built through simple, everyday interactions and faithful relationships over time.

Prayer Requests

Please pray for the many people we meet through everyday interactions — store employees, guests, volunteers, and first-time visitors — that God would continue opening doors for conversations and relationships.

Tennessee Movie Nights

At the beginning of May, we had the privilege of traveling to Winchester, Tennessee to partner with Marble Plains Baptist Church, located inside Tims Ford State Park. We were able to host a movie night on Friday and another on Saturday, and then present the ministry to the church on Sunday morning.

Dana even had the opportunity to teach Children's Church on Sunday. Since they do not normally have a children's service, we were unsure how many children to expect, but God blessed us with 17 kiddos! We had such a great time together.

One of the games we played helped teach the importance of missionaries and showed the children that they, too, can be missionaries right where they are. It was encouraging to see them engaged, excited, and learning how God can use them to share His love with others.

This church visit was especially meaningful because we were able to spend the weekend with some very dear friends. We had the privilege of staying with Pastor Parks and Mrs. Carol. Pastor Parks was Dana's pastor growing up and later became my pastor after we were married. He has since retired and moved to Tennessee, so it was a true blessing to spend quality time with both of them again.

We were also able to visit another longtime family friend who lives nearby. Although they have been away from our area for many years, it is always such a joy to reconnect and catch up whenever we have the opportunity. God blessed this trip not only with ministry opportunities, but also with sweet fellowship and encouragement from people who have had a lasting impact on our lives.
